

## **8 Braid BLUE STEEL™**

8 braid BLUE STEEL™ rope is one of the highest strength copolymer braided ropes in the market today. A staple of the marine and pleasure craft market, the high-tenacity UV resistant polyolefin yarn construction offers easy handling and excellent resistance to most common chemicals, mildew, marine growth, petroleum products and rot.

### **Features:**

- 30-40% stronger than comparable polyprop
- Rope floats: Specific gravity of 0.91
- Will not absorb water.
- Low stretch, easy to handle and splice

Dimensions	Color	Tensile	Weight
1" x 600'	Teal w/Dk Blue Tracer	22800 lbs	105 lbs
1-1/8" x 600'	Teal w/Dk Blue Tracer	30305 lbs	143 lbs
1-1/4" x 600'	Teal w/Dk Blue Tracer	34200 lbs	162 lbs
1-1/2" x 600'	Teal w/Dk Blue Tracer	48165 lbs	233 lbs
1-5/8" x 600'	Teal w/Dk Blue Tracer	59375 lbs	287 lbs
1-3/4" x 600'	Teal w/Dk Blue Tracer	70965 lbs	354 lbs
2" x 600'	Teal w/Dk Blue Tracer	86830 lbs	433 lbs
2-1/4" x 600'	Teal w/Dk Blue Tracer	114570 lbs	586 lbs
2-1/2" x 600'	Teal w/Dk Blue Tracer	130910 lbs	672 lbs
2-5/8" x 600'	Teal w/Dk Blue Tracer	147250 lbs	762 lbs
3" x 600'	Teal w/Dk Blue Tracer	187245 lbs	962 lbs
